Grip Vue for iPad 2

Clearly Unique

Part # F8N614cw

Clearly Unique

Tint & Texture
Protect your new iPad, without covering it up. The translucent sheen enhances the look of your device, while giving it maximum protection. And the innovative, flexible material combines grippability with visibility and a sleek, high-gloss finish.

Style & Substance
The thin material is durable and impact resistant, and the slim, form-fitting shape allows you to slip easily into another bag or in to a desk top stand.

Features

- Flexible and grippable
- Slim, form-fitting design
- Impact- and scratch-resistant
- Access to all ports
- Cut out for camera lens
- Manufacturer’s Limited Lifetime Warranty
